### Wilgro Simbras Dispersal Sale

Wilgro Simbras of WG and Alta Olivier is a young Simbra stud that has come along in leaps and bounds. They have shown that with dedicated breeding, the use of carefully selected bulls and females, love for their cattle and attention to detail, one can build a great herd.

We now offer only the best from this stud up for sale!

Please go to [www.excelsuslandgoed.co.za](http://www.excelsuslandgoed.co.za) for all the pictures, lot numbers, catalogue and a full Wilgro News Letter

### Also on the Excelsus Web!!

#### Wilgro Simbras Chief Herd Sire Excelsus Galco.

Galco was bought into Wilgro as a small two year old bull and is now the Top Stud bull that we always thought he would be. Galco breeds just as he looks with many white blazes. Half the heifers in the top photo are sired by Galco and the other half by their other herd sire Excelsus Professional. All The Wilgro calves at foot and those as yet unborn, are sired by Galco and Professional. The cows with calves have then been bred to Excelsus Alpha and Galco

**"WATCH THIS BULL COMING ALIVE"**

BREEDING WITH TOP GENETICS TO SUPPLY THE BEEF INDUSTRY WITH SOLID, DEPENDABLE SEED STOCK!

#### Excelsus Alpha HDL1114B

Alpha is the latest bull used at Wilgro. The bull was unfortunately lost to a lightning strike. There are fifty straws available from Alpha up for sale. Alpha is bred from our super Sire Excelsus Amigo and the grand dam of our top Echo maternal lines

**Alpha's ebv's are BW+0.9, 200+14 and he has a +6 for Milk**
