Hi We have a Brand New Web Site!

The Excelsus Web Site has a new face, look and feel! We felt it was time to redesign, repaint and remodel to make the site newer and easier to use! Cleon Coetzee and his team from Magnifying Solutions have put the new site together and have also tried to keep the same vibe and feel that we had in the old site! The Excelsus Web Pages have become our Shop Window and an Integral Part of our marketing! You will still see all the latest news, herd sire, photo's, new genetics all in a new format. See the new site at www.excelsuslandgoed.co.za
