## Excelsus Landgoed: Your Gateway to International Genetics

### Excelsus Winter Youth Camp

*This was the first time that many of the kids had handled a 500kg plus animal. The animals were washed and groomed to within an inch of their lives*

#### A Weekend to Remember!

Excelsus Landgoed hosted our first Winter Youth Show Camp in Oranjeville this last weekend. This was surely one of this farming enterprises best weekends as we welcomed Bekker Agricultural College from Magaliesburg, Weiveld Agricultural College from Parys, Oranjeville Junior School and Roodepoortjie Farm School.

All this is in preparation for our Youth Show at the Parys Simbra National Festival in September 2012. Youth showing in its pure form is complex, fun, educational and a pleasure to watch. The kids are judged on how they wash, groom, prepare and then finally show the animal off.
