Excelsus Cows calving with a Bang!

Calving season is our favorite time of the year with the new calves coming thick and fast. Many old friends such as Wisp Will Karen WC9576C with a heifer calf, Marleigh Tabitha MCM9613A with a polled Galen bull calf and Excelsus Paris HDL98304A with a Galen bull calf Gunner all have safely

calved. They are amongst their other calves the dams of Zamugo Socrates, Zamugo Zorro and Excelsus Terah and Professional respectively. We welcomed calves from our PRR Prevail sons, Pacific and Prodigy as well as Stoney, PRR Palisade, LMC Patriot, Kyksim Honeymoon, Platinum sons

Patriarch, Profesional and Piper, Lone Star, El Pancho, Klein Galen and Excelsus Amigo. Its too exciting for words!

Please watch these publications for more of these calves and our annual summer news letter will be available in the new year.
