### Simbra to Celebrate Twenty Five Years

Simbra twenty five and still going strong! Excelsus is proud to be a part of this magical breed and will support the Simbra show in Parys fully. We are inviting our overseas friend's and have organized a smashing tour for them. This sees them touring from the Cape to the Kruger Park and of course attending what will surely be the simbra show of all time. **Please click here to view the tour program and the tentative show programs**

### Excelsus launches New Look Web Site

Please visit our new look web site launched in January 2012. In keeping with our Simbra 25 we have revamped the site that includes a new look and integrated

news page and breaking news section. All the news and action from Excelsus and the Simbra show as well as RPO news and the latest on breeding, showing

will be highlighted here. The first five visitors to our web site will receive 5 straws from any one of the Excelsus young bull project absolutely free

**Click here to register for our first five web site viewers to claim your five straws. T's and C's apply.**
