

Excelsus Simbra Bulletin

“The Event 3 Wrap”

Volume 11 1 September 2010

A special thanks to all our buyers, supporters and friends that contributed to such a successful sale 2010.

Thanks to De Wet Jacobs for the purchase of Galen, to our volume buyer Sakkie Coetzee and Zelmarie Fourie for buying Lanzerac, Etch, Lasso and Mc Alley. We are working closely with this fine stud and are producing some fine cattle.

Thanks to James Prinsloo for buying Wisp Will Jim and Danie Roux for Gambino, Robin Gracie for Masai, Ekard Pape for Chester, Dries Viljoen for Loxi, Abraham Pelsler for Long John and to Andre De Villiers for Genzel, Zamuto and Mcaw

A huge thanks to all our other buyer's that traveled far and wide and we hope that the bulls adapt well and are of good service to you. We hope to see you all next year and good luck with your breeding programs.

Thanks also to all the Simbra folk that took part in our Simbra Expo and discussion. A lot was learned, a lot said and if the breeders breed quality cattle to fit the type then we will be in business for a long time. A full report on this occasion will be published shortly.

May you have good rains, summer sunshine, great conceptions and top beef prices
